CARTE POSTALE

JERSEY. Elizabeth Castle. Elizabeth Castle is on a detached rock, and is accessible at half-tide from the shore, from which it is three-quarters of a mile distant. It was originally the abode of St. Helier, the patron saint of Jersey. The greater part of the present fortress was constructed in the reign of Elizabeth, and it was also added to by King Charles in 1646. It surrendered to the Parliamentarians in 1651.
